

9th October, 2014 – Butler Green Committee

Attended By: Mike Stewart, Lexie Taylor, Matt Armitage, Perlina Desai, Will Macauley, Jonny Harrison, Rupert Maspero, Emi Morris, Ankita Sahadev, Pavit Bangur

Introduction

- Mike welcomes everyone to Green Comm – and we play a ‘green’ family fortunes to break the ice

Improving the Market Delivery Scheme

- Smaller meal packs so more flexibility
- Possibility of doing it at a later time, e.g. 2pm, or ideally a fridge to store them
- Useful if we could get milk and eggs – however will this affect the Howlands shop
- Maybe talk to Howlands shop about sorting a way to have a better milk stock

October's Events

- Possible collaboration of Cheese + Wine with GRAW
- Pumpkin carving (biodegradable decorations)
- Considering what to do to mark the start of the energy competition
 - Block against block competition

Green Formal Ideas, let's get started early!

- Welcome message in the dark
- Anything goes but clothes
- Ents themed around something in the dark

Sponsor an animal

- Need to think what sort of animal we would want
- Ideally we would call it Josephine Butler

AOB

- Ways to encourage more freshers to attend meetings → Advertise through mentor nights → leaflets
