Charity Formal:

- Jasper and Caroline thank us for all of our efforts in planning and setting up the Formal on Monday.
- In total we raised about £400.

Grace House Auction & Fashion Show:

- We still have the Grace House Auction and Fashion Show to plan.
- Caroline has been sorting prizes for the Auction, including a footballer's autograph.
- We're thinking of doing a promises auction for the Fashion Show, and physical items to auction off for the Grace House auction.
- Caroline and Jasper will upload a document for people to add prizes they managed to arrange.
- Caroline wants a list of the old promises auction promises, so Siri will get hold of that.
- We could also make leaflets promoting Grace House to people donating, so that they know what they're donating to. We could also put companies' logos on the leaflet as an incentive.
- We'll also show the Grace House video at the start of the Auction.
- On the night, we could also sell refreshments. We could have a fancier champagne reception or something similar to make the Grace House Auction a classier event, particularly as the SCR will be involved.
- Karolina suggested that we can get International Comm to do their international food night in conjunction with the Grace House Auction.
- We want to promote this event through the JCR Facebook page, but also get it on the DSU Dialogue email. Helena suggests that we should promote the Auction within the History Department, particularly as Matt Williams is president of the History Society. It would also be profitable to publicise this with mentors. Caroline suggests that we can make fliers that can distribute throughout the university.
- We could try to get him to sign his books, magazines or the TV series.
- Ollie Quarry says his mum does lots of charity work in London, and she'll work to get us prizes to auction off.

Social:

- Karolina suggested a Charity Shop social. They want to do it next Monday, or the Wednesday after next. Wednesday 5th could work.
- We could do a few Hill colleges before going to the Bailey and then out.
