

6th November, 2014 – Butler Green Committee

Attended By: Mike Stewart, Lexie Taylor, Matt Armitage, Will Macauley, Jonny Harrison, Emi Morris, Charlotte Camilleri, Lucy Astill

Green Film:

- We discuss possible films with an environmental theme, suggestions include: Wall-e, Day After Tomorrow, Sharknado
- There will be an online vote

Green Formal:

- Formal set up from 3pm on Monday – we are looking for volunteers to help set up
- Oragami and vines are done
- Focus is on raising awareness
- Arranged with Tech Comm arrangements for the acoustic ents

Environment Week:

- Litter pick-nic on the Sunday joint with Ustinov
- Cooking Soc – Cook buddy system: up to four people across college can sign up and cook for each other
- Hiking Soc and Green Comm collaboration
- (Future Soc Comm + Green Comm anything goes but clothes)
- Discussion of possible relaunch of Butler Bikes – for Ushaw
- Livers Out energy competition; increase of bills
- College pledge system – using the whiteboard – how you are going to save energy, and then the photos will be entered into the draw
- Idea of reflective bands to give out during Environment week
- Materials sent out to Livers Out about reducing energy consumption
- #GreenMoments

Allotment:

- Can allotment society supply some potatoes for the coffee shop?
 - Maybe...

AOB:

- The first part of the results for the energy competition will be out next week
- T-shirts will need to be first come, first served
