Other Business:

- Ben can get calendars from Greenspace that we can sell at mentor nights for Grace House. We can sell them with an online order and at mentor nights. We can get them for £3 and sell them for £5.
- On February 17th we're having a charities Valentine's formal, with the seat-swapping system. We need to plan the theme and events that fit with the Valentine's theme.

Karen's Visit:

- Grace House has been shortlisted as one of six charities in the North East to win the people's millions. The competition is done purely by vote on Monday at 6pm. Follow Grace House on Facebook and Twitter so that when they get the number for voting we can share the number.
- If they win the money, this will go towards creating a sensory garden, and there will be opportunities for us to help with gardening and planting.
- Their aim is to reach 60,000 phone calls.
- They're looking for carol singers for Saturday 7th December. They've also got a booze & burlesque night for £12.50.
- There's a Christmas party on December 20th, and a quiz night in January.
- Have a look on the Grace House website for details on future fundraising activities.
- The Great North Run is on September 7th next year.
- There will also be the Sunderland 10k and half marathon that we can take part in.
