

# JOSEPHINE BUTLER COLLEGE

11<sup>th</sup> December, 2013 – Butler Charities Committee

**Attended By:** Jasper Cox, Siri Minsaas, Jonny Harrison, Ben White, Rupert Maspero, Will Macauley, Vincent Lim

**Next Term – Charity Formal:**

- Jasper asks us to brainstorm ents ideas. Last year we had dares and a kissing booth. For ents we could do a cheesy school disco with a DJ you have to pay (donate to charity) to make a song request. Another idea is to play spin the bottle. Another suggestion is to show awkward photos, which people pay to have put up on the projector after the formal, and people have to pay to have them taken down. People ask whether this will work now that embarrassing photos are so readily available and displayed at JCR Meetings. We could also have bids for dates as ents.
- Jasper asks if people liked the table-swapping at last year's formal. This year, high table will also be swapping. We decide to keep swapping in pairs.
- For the decorations, as it will be Valentine's themed, we suggest having edible love hearts, roses, lace and confetti, and lots of pink.

**Next Term – other events:**

- We could do another 'game show' event, but perhaps something other than dating or match-making show. People suggest 'Take Me Out', and 'Weakest Link'.
- Since all of the exec elections are next term, we could have things to sell at the results announcements, perhaps turning them into charity events.
