Weekly Update:

- Miranda has been designing some stuff to update the Green board – also for a slideshow for mentor nights
- Green comm does Family Fortunes in the bar?

Water awareness week:

- 16th-28th February
- Pledges via white board and bar display
- Reducing water – water timers for livers out – mentor night
 - Turn the tap off when you clean your teeth/shaving
 - Washing fruit and veg in a bowl
 - Don't fill kettle to the top if not necessary
 - Shorter showers
 - Water displacement bricks for the toilets/plastic bottle full of water
- Quantum of Solace – Film night
- Promote WaterAid charity to raise awareness of the value of water
- Fill barrel to represent the amount of water used

Trust fund application:

- Don't know how much they would be used
- Is it actually green if they only charge x amount of phones compared to the amount used to make it
- Advised to go out and get our own and then see how it goes – trialling period
- We do have the budget
- We will buy and trial the fixed solar panel chargers

AOB:

- GreenSpace used to list all of the taxi companies – idea is to share taxis – however it is gone
- Suggestion to add it onto the JCR website
